

**Muskingum Soil and Water Conservation District
2024 Summer Forestry Internship**

The Forestry Internship opportunity is funded through the MSWCD and the Muskingum County Auditor's office and is a paid part-time position, lasting 10-12 weeks (total number of hours yet to be determined). This intern will assist our Forestry/Wildlife Specialist with forestry inspections and plans. **For more information about this internship, please contact Robert Boehle at 740-454-2027 or robert.boehle@muskingumswcd.org.**

All Internship positions are flexible as to what days/hours must be worked, as long as the required hours are obtained within 12 weeks. To be considered for either of the internship opportunities, the application, resume and essay must be submitted by March 15, 2024. The essay must address why the applicant is interested in the internship, what strengths the applicant would bring to the internship, and future career plans.

To be eligible, students must be high school graduates and in college majoring in forestry or an environmental or conservation science field. Students in agriculture, environmental, and/or natural resources management are encouraged to apply. Students must be able to pass a criminal background check and a driving record check and be insurable to drive a District vehicle.

To be considered for the internship opportunity, the application, resume and essay must be submitted by March 15, 2024. Applicants will be contacted for phone interviews before the end of March. For more details, contact the MSWCD office at 740-454-2027 or check our website at www.muskingumswcd.org. Applications are available online.
