

MUSKINGUM COUNTY POSITION OPENING ANNOUNCEMENT

DATE: June 26, 2020

DEPARTMENT: County Engineer's Office

POSITION TITLE: Civil Engineer/Project Manager

STATUS: Full Time – 40 Hours/Week

SALARY RANGE: Compensation to commensurate with experience

DEADLINE: Open Until Position Is Filled

QUALIFICATIONS: Ohio Professional Engineer's License preferred, not required. 5 + years of relevant experience, civil engineering design. Proficient with AutoCAD Civil 3D or Microstation/Geopak. Pass all pre-employment screenings, including background and drug screen

Seeking experienced candidates for a civil engineer/project manager position. The successful candidate will play an important role in civil design, including roadway, bridge, water, sanitary, building, and stormwater management projects for the county. Develop construction plans, site plans, grading plans, and utility plans. Hydraulic/Hydrologic modeling experience is desired. The candidate will assist with managing contractors and subcontractors, as well as perform site inspections and field surveying for various projects. Assist with bridge inspections and construction cost estimates. Knowledge of Ohio Dept. of Transportation specifications and CAD standards is preferred. Prior experience interacting with clients, building client relations, project management, including project scope, budgeting and scheduling is desired.

Interested candidates should send a Cover Letter, Application and Resume, either by mail or email to the following:
