

Request for Proposal

You are invited to submit a proposal to provide depository services for Muskingum County for a four (4) year period beginning September 3, 2021 and ending September 2, 2025. Proposals marked "Proposed for Depository Services" will be received no later than 2:00 p.m. on July 23, 2021, at the office of the Muskingum County Commissioners, 401 Main Street, Zanesville, OH 43701.

The Muskingum County Commissioners will award the contract on August 5, 2021.

The right is reserved by the County to reject any or all bids and to waive technical defects, irregularities, and informalities as the interest of the County may require. The County reserves the right to distribute services to more than one bank if it is found to be in the best interest of the County to do so.

Cost of services for depository services will be considered, but will not be the sole determining factor in the selection process. The County will select the proposal that, in their opinion, has made the best offer for services.

Inactive deposits of the County will be awarded by the County Treasurer in a separate procedure and will have no affect on the award of the depository agreement for active monies.
