RESOLUTION 22-0758 Approving the OneOhio Region 12 Governance Structure Under The OneOhio Memorandum of Understanding

WHEREAS Muskingum County (“Jurisdiction”), is a Local Government in Muskingum County, Ohio

that has adopted and approved The OneOhio Memorandum of Understanding (“The Memorandum”), which establishes a mechanism to disburse settlement proceeds from opioid litigation (“Opioid Funds”) into Ohio’s communities to help abate the opioid crisis, including allocation of Opioid Funds to Regions through a statewide Foundation Board; and

WHEREAS, this Jurisdiction is in **Region 12** under The Memorandum, which is comprised of Coshocton, Guernsey, Monroe, Morgan, Muskingum, Noble, Perry and Washington counties; and

WHEREAS, pursuant to The Memorandum, Section D.2: “Each Region shall create their own governance structure so it ensures all Local Governments have input and equitable representation regarding regional decisions including representation on the board and selection of projects to be funded from the region’s Regional Share...Regions shall have the responsibility to make submissions regarding the allocation of funds to projects that will equitably serve the needs of the entire Region”; and

WHEREAS, it is found that the Region 12 governance structure outlined below ensures that all Local Governments in the Region have input and equitable representation regarding regional decisions under The Memorandum; and

Minutes for August 04 , 2022

WHEREAS, the formation of the Region 12 governance structure is of immediate importance to the communities in Region 12, so that imminent Settlement Proceeds committed to the State of Ohio to be distributed per The Memorandum can be disbursed to help abate the Opioid crisis.

NOW THEREFORE, BE IT RESOLVED, by this Jurisdiction that:

Section 1. This Jurisdiction hereby approves the Region 12 governance structure under The OneOhio Memorandum of Understanding ("The Memorandum") as follows:

The OneOhio Region 12 governance structure will be initially be comprised of a 26-member Board of Directors, consisting of the following:

Class 1: Eight (8) county appointments, consisting of one (1) appointee by each Board of County Commissioners in the Region; and

Class 2: Eight (8) municipal appointments, consisting of one (1) appointee by the legislative authority of each municipality serving as a county seat in the Region; and

Class 3: Three (3) township trustees from throughout the Region, selected by a majority vote of Class 1 appointees; and

Class 4: Four (4) persons from private sector, non-profit, governmental or non-governmental organizations in the Region, selected by a majority vote of Class 1 appointees; and

Class 5: Three (3) persons from the public- or private-health or sector, Departments of Health, Health Districts, or ADAMH Boards or Districts in the Region, selected by a majority vote of Class 1 appointees.

To further the purposes of The OneOhio MOU, The Board shall endeavor to include participation on the Regional Board by subject matter experts from backgrounds such as health, mental health, treatment, education, judicial, law enforcement, community/faith and lived experience backgrounds, and/or such other persons as the Board determines to be consistent the objectives of The OneOhio MOU and the needs of Region 12.

The OneOhio Region 12 Board will determine matters consistent with The Memorandum, Section D, such as:

- A. Adopting or amending Region 12 bylaws, regulations, rules and policies;
- B. Selecting Region 12's member on the OneOhio Recovery Foundation, Inc. board ("Foundation Board") under Section D.4 of The Memorandum;
- C. Evaluating and making submissions regarding the allocation of Regional funds throughout the Region;
- D. Engaging experts, counsel, consultants and vendors as appropriate for these purposes; and
- E. Taking other actions consistent with Section D.2 of The Memorandum.

Section 2. It is found and determined that all formal actions of this legislative body relating to the adoption of this Resolution were adopted in an open meeting, and that all deliberations that resulted in such formal action, were in meetings open to the public, in compliance with all legal requirements.

Section 3. This Resolution is hereby declared to be an emergency measure, necessary for the preservation of the public peace, health, welfare and safety. The reason for the emergency

Minutes for August 04 , 2022

is to ensure prompt pursuit of funds to assist in abating the opioid epidemic throughout Ohio. Motion made by Commissioner Porter, seconded by Commissioner Cameron. Roll Call: Crooks, aye; Porter, aye; Cameron, aye. Motion carried.

RESOLUTION 22-0759 enter petition onto the Journal of the Board of Muskingum County Commissioners for Expedited Type 2 Annexation Petition under the Ohio Revised Code Section 709.023 to annex real estate to the City of Zanesville, Ohio owned by Jeffrey L. Drennen stated as the sole owners of the ±0.589 acre parcel described in the Annexation Description as Exhibit A and Plat as Exhibit B. The agent appointed for this annexation request is Tara C. Wilson, of Linn Engineers as required under Ohio Revised Code Section 709.02.

Motion made by Commissioner Cameron, seconded by Commissioner Porter.

Roll Call: Crooks, aye; Porter, aye; Cameron, aye. Motion carried.

RESOLUTION 22-0760 approve application and authorize Mollie S. Crooks to sign on behalf of the Board of Muskingum County Commissioners the Muskingum Watershed Conservancy District Project Assistance Program Application for Wills Creek Road Culvert Replacement. Requested by Mark Eicher, County Engineer.

Motion made by Commissioner Porter, seconded by Commissioner Cameron.

Roll Call: Crooks, aye; Porter, aye; Cameron, aye. Motion carried.

Commissioner Porter said he might not be back after lunch. His 4-H group is doing community service today.

Commissioner Cameron asked if we should reschedule Melissa Best today. Commissioner Porter said he couldn't care less about Melissa Best and thought the deal was they were to go through Eric. He asked if it was regarding ARPA. Commissioner Crooks thought it was to address comments that were made and thought we all would want to be here. Commissioner Porter said not to reschedule Melissa on his behalf. The Clerk will call Melissa and let her know that Commissioner Porter will not be present during afternoon session and ask if she would still like to attend today or reschedule.

Sheriff Lutz came to meet with the Commissioners.

Commissioner Porter asked if the Sheriff would be providing extra security at the fair because of the sale of alcohol and did they ask the Sheriff's opinion.

Sheriff Lutz said they had talked about it last year. Then they (Fair Board) presented the Sheriff with the Liquor Permit and he signed it. But, nobody said anything about a plan. So, the Sheriff called John Graham and asked if they still wanted the Sheriff for Security and what about the Beer Garden. The Sheriff met Rodney Crooks and Jerry Miller there last week and they showed the Sheriff the plan for the Beer Garden. The Sheriff will have two extra deputies in that area each night. They are waiting until after the 4-H parade on Sunday to start selling alcohol.

There will be an extra 10 hours of security on Sunday and an extra 12 hours, each day, Monday through Saturday.

The Sheriff presented the contract with Commercial Electronics for their MARCS radios and the following was then considered:

Minutes for August 04 , 2022

RESOLUTION 22-0762 approve the award of bid to Commercial Electronics in the amount of \$318,704.00 for MARCS Radios for the Sheriff's Office.

Motion made by Commissioner Porter, seconded by Commissioner Crooks.

Roll Call: Crooks, aye; Porter, aye; Cameron, abstain.

Motion carried.

There was discussion with the Sheriff regarding the K-9 Adoption Center.

- He has talked with his staff about which three pods to have the Mason isolation walls installed; A, D and F
 - The staff and volunteers, Doug and Jane, agree
- He said there was also discussion about putting tempered glass on the kennel door fronts or wire mesh. The cost of the mesh was very high and the Commissioners chose to go with the tempered glass.
 - Sheriff said in talking with the staff and volunteers, they agree with the Sheriff that even the glass is not a necessity. Leave the fronts as they are.
- Sheriff does have a concern with the divider door that the dogs can go through from pen to pen. It is a plastic-style door and not durable enough. His question is, when they install the steel panels will that have an effect on that door. If it's going to stay the same, his recommendation would be to call Jeff Baker and take him the doors and have him cut out 1/8" steel so the dogs can't get them up.
- Commissioner Cameron said that many times they are accused of spending every dime...this is beyond frustrating. Only speaking for herself. The amount of money, we're up to a million dollars, and the additional funds, but at this point I don't know what else to do to fix it. We had an architect and a contractor. It is not her goal, as it has often been said, to spend every dime. But the Adoption Center is out there and we cannot close the doors. We have got to do something...not another half million, she's not in favor of that, we weren't in favor of spending a million on project. But now that it's there, we can't just tear it down. Unless someone has a different solution or a different means to fix it, she doesn't know what to do.
- Commissioner Crooks noted that the stainless steel panels are \$197,455 and the glass panels were going to be \$62,633.
 - Sheriff said that Doug and Jane agreed that the glass panels do not gain enough for the cost.
- Commissioner Cameron asked if we are certain that this is going to fix the problem
- Sheriff reported that 75% of the epoxy on the floors is chipped
 - Commissioner Porter asked if there is a warranty on the epoxy
 - Sheriff did not know, someone would have to call the company and have them come to look at it
 - Commissioner Cameron asked wouldn't our architect or contractor do that
 - Sheriff reported that Liam from Flecto was out there yesterday fixing another leak
- The Sheriff asked about the perimeter fencing between the dogs and JDC. Funk has the fencing to put up which was in the original estimate. Sheriff would like permission to have Flecto get with Funk to put that up. Posts are already in.

Minutes for August 04 , 2022

The Sheriff shared that they are still interested in additional staff for the Adoption Center

- Seth is still just part time and they would like to move him to full time
- Sheriff explained that in the new facility, they now move the dog completely out of the kennel, wash it out and squeegee before they return the dog to the kennel. This takes more time. Sheriff had thought about asking for someone from housekeeping to come out to help 2-3 hours per day.

- Commissioner Crooks recommended checking into a MSI workers

The Sheriff will contact Tom at Flecto to proceed with fence and ask about back wall/doggy door

The Commissioners will reach out to MSI (Starlight)

Commissioner Cameron asked that we wait to do the minutes another day if Commissioner Porter is not coming back after lunch. Commissioner Porter said he would be back for a little while, but not staying for Melissa Best meeting.

The Commissioners Crooks and Cameron left to attend the Employee Recognition at Child Support to resume session at 1:30 p.m.

While the Commissioners were at lunch, the Clerk contacted Melissa Best to let her know that Commissioner Porter would not be present this afternoon. Melissa called back and asked to reschedule for a time when Commissioner Porter could be present.

All Commissioners returned after lunch.

Commissioner Crooks mentioned the idea of inviting a slushy trailer during lunch time for County employee appreciation. She checked with the Auditor who said it could be an appropriate use of funds; de minimis.

They would charge the County \$4.00 for each with a minimum of 100. Usual cost is \$5.00 each. Commissioner Crooks said the trailer has Thursday, August 11th available.

Kyle Dunn, Community Development Director, came to talk with the Commissioners requesting an advance and the following was considered:

RESOLUTION 22-0761 approve and authorize the ADVANCE of Funds from County General Fund 001 to Fund 191 for the Muskingum County Community Development as requested by Kyle Dunn, Director, as follows:

ADVANCE OF MONIES

<u>From Fund</u>	<u>To Fund</u>	<u>Amount</u>
001-000-10100	191-000-414001	\$95,370

Motion made by Commissioner Cameron, seconded by Commissioner Porter.

Roll Call: Crooks, aye; Porter, aye; Cameron, aye.

Motion carried.

Scott Lee, Facilities Superintendent, came to talk with the Commissioners. He presented quotes for HVAC units for the Health Department Building. These were damaged in the hail storm and the \$61,908 check from insurance will pay for the labor to install the units. The insurance only paid to replace the coils, but Scott thought since the units are at least 25 years old, now would be the time to replace them. The units will cost \$128,364. The following was now considered:

Minutes for August 04 , 2022

RESOLUTION 22-0763 approve purchase of two (2) Carrier HVAC rooftop units for the Muskingum County Agencies Building; 205 North Seventh Street at a cost of \$128,364, to be paid from Economic Development, Capital Projects; 001-114-506040. Hail damage insurance payment will cover the cost of installation.

Motion made by Commissioner Porter, seconded by Commissioner Cameron.

Roll Call: Crooks, aye; Porter, aye; Cameron, aye. Motion carried.

The Clerk reported that Joe Dunlap with House of Grace Church, 2960 Maysville Pike called to schedule a meeting with the Commissioners. She scheduled him for Monday, August 22; 1:30 p.m. She was instructed to invite Don Madden, Projects Manager and Stan Lucas, Sewer Department Manager to the meeting, as well.

Commissioner Porter said that he'd like to know how many others are not paying their sewer bills, because rumor has it that sewer service cannot be shut off.

A call was placed to Stan Lucas. Stan believes that Todd Hixson, County Treasurer is the one who contacted Mr. Dunlap regarding the late sewer bills because of the assessment to the real estate bill.

Commissioner Crooks asked who follows up...who monitors late bills?

Every September late bills are sent to be assessed to the owner's real estate bill regardless of the overdue amount.

Eric Reed, ARPA Compliance Officer, came to update the Commissioners.

- Avondale
 - Eric presented Environmental Review Proposals
 - Stone Environmental \$ 3,000
 - ORDC \$ 4,000
 - Smart Services, Inc. \$ 1,850
 - Burgess & Niple \$11,050; includes lead paint assessment
 - Eric thinks we are at the place to decide who to use for the Environmental Review and pass the information on to Gary to let him handle. Gary should be contact for information
 - Eric will have Gary and Mark Zanghi review proposals
 - Commissioner Porter asked about the money trail. Eric said the funds will come through SAM.gov into the JFS account
- ARPA Audit
 - Eric has submitted everything
- Genesis
 - Meeting with Commissioners has been set for September 19; 1:30 p.m.
- Licking View
 - Signed plans have been sent to EPA
 - Waiting for PTI
 - Communicating with John Burnstein of Ohio EPA; Chief of Division of Environmental and Financial Assistance
 - Commitment of local dollars generally does not affect application
 - Don is on the agenda to speak at Small Community Environmental Infrastructure Group August 12
 - Should know results by Thanksgiving

Minutes for August 04 , 2022

- Fair Grounds
 - Commissioner Cameron asked about the bleachers
 - Commissioner Porter reported that there is one section left to complete

An email from Tom at Flecto was reviewed.

- Regarding the fencing, materials were already bought and paid for just waiting on installation
- Installing new stainless partitions would not affect the back walls or doggy doors. He thinks we could definitely fabricate a heavier door that would help with the bigger dogs
- Tom will contact the epoxy company to let them know of the floor issues
- Tom asks if we are good to order the new kennel parts yet

Commissioner Cameron reported that she stopped at the K-9 Adoption Center during lunch

- They currently have 63 dogs
- That place needs some work
- They had no idea she was coming; there was no down time, staff and volunteers were definitely working
- It is her opinion that she would rather do just half of the Mason Kennel isolation panels to see if it works, before doing the entire center due to the cost

The following was then considered:

RESOLUTION 22-0764 rescind Resolution 22-0732 dated 07.28.2022.

Motion made by Commissioner Crooks, seconded by Commissioner Cameron.

Roll Call: Crooks, aye; Porter, present; Cameron, aye. Motion carried.

Commissioner Cameron said this will be better, because Commissioner Porter had said he wanted to vote on this anyway.

RESOLUTION 22-0765 approve purchase and installation of Mason stainless isolation panels in three (3) sections, twelve (12) kennels each.

Motion made by Commissioner Crooks, seconded by Commissioner Cameron.

Roll Call: Crooks, aye; Porter, nay; Cameron, aye. Motion carried.

Commissioner Crooks will reply to Tom at Flecto to proceed with fence and no tempered glass on the kennel doors.

There was brief, continued discussion regarding transcription of minutes. The following was then considered:

RESOLUTION 22-0766 authorize the implementation and purchase of the TEMI transcribing program to be used for Commissioner minutes. The program will be purchased on a trial basis.

Motion made by Commissioner Cameron, seconded by Commissioner Porter.

Minutes for August 04 , 2022

Commissioner Crooks feels that minutes should not be transcription, they should be minutes. She agrees that this Board of Commissioners is what makes it complicated. She thinks we should have more abbreviated, technical minutes.

Roll Call: Crooks, nay; Porter, aye; Cameron, aye.

Motion carried.

Scott reported that Neff will be paving the parking lot the week of August 15.

Commissioner Porter said that he received a call the same day Pam was in here and said that she had received no applications for the posted IT position. The caller indicated that they knew of someone that had applied.

A call was placed to Pam asking her to come over.

She did receive the application, after she had talked to the Commissioners. She forwarded it to Robert.

Commissioner Cameron moved to approve the minutes of the August 01, 2022 session.

Commissioner Crooks seconded.

Vote was Crooks, aye; Porter, aye; Cameron, aye.

Motion carried.

Commissioner Cameron referred to Commissioner Porter's request for the minutes of the Washington JEDD meeting of October 28, 2021.

- Commissioner Cameron reported that she contacted Kade Haddox at the City because she wanted to know what the increase was because there has been a lot of talk about that and to share those figures with Commissioners Crooks and Porter
 - The increase to Washington Township was \$24,894.41 this quarter
 - Total received to date \$40,344.91
 - Under old formula would have received \$15,450.50

Commissioner Cameron noted that Commissioner Porter voted present when Robert came in to talk about increases. It is very frustrating that no matter what happens in here, it's always criticized or you get belittled. It was said there weren't any applications and we've talked about in this job market, what are we going to do. She doesn't like to spend money either, that dog pound makes her nervous, what the elected officials are going to ask in raises, she doesn't know how we can substantiate that. But, we certainly have not caused the problem with inflation and what people are asking for. She doesn't feel like she freely spends money, but she doesn't know how we are supposed to get people to come here and work. As Don Madden gave an example....\$16.00 an hour to people who have a CDL. And true, they can opt to go to those other places, paying higher wages, and they must be doing that since they haven't had one applicant. Maybe Commissioner Porter and Crooks can figure that out, but she admits, she doesn't know what else to do. If a director asks for more money for a position and they think that will get someone to come here to work...maybe that's a decision we're going to have to make. She heard on the news that Ohio Health laid off 650 employees...not because they don't need them, but because they can't pay them.

The Clerk reported an email from Danny Brenneman, Director, MCJFS. He needs to have conversation with the Board regarding employee compensation. Does the Board prefer email or in person. In person.

Minutes for August 04 , 2022

The Clerk received a text from Eric. Don has an explanation about the payment of sewer bills, if the Commissioners want to talk with him, he's available.

The Clerk explained to the Board that she received a notice from David Han at USDA stating that they had not received our application for lease at the Rural Services Building. Also included were several more pages of application for the offices USDA has occupied at the Rural Services building for over 20 years, but say no longer meet federal qualifications. The Clerk explained that the application has been sent to them twice in the last year and during her last conversation with David Han he said, "you're still in the running".

Don did stop in regarding Sewer invoicing.

- Don explained that any past due water and/or sewer bills are certified by resolution. At that point it rolls over to their tax bill as an assessment

Pam Davis, Human Resources came to see the Commissioners and the following was considered:

RESOLUTION 22-0767 declare an Executive Session at 3:18 p.m. for the purpose of discussing Pending Litigation of the Muskingum County Commissioners and Engineer. This session ended about 3:24 p.m.

Motion made by Commissioner Cameron, seconded by Commissioner Crooks.

Roll Call: Crooks, aye; Porter, aye; Cameron, aye. Motion carried.

RESOLUTION 22-0768 approve the appointment of Isaac Wiles as outside counsel for representation of Muskingum County Commissioners and Muskingum County Engineer regarding a Workers Compensation appeal at the cost of \$180 per hour for partners and \$160 per hour for associates.

Motion made by Commissioner Porter, seconded by Commissioner Crooks.

Roll Call: Crooks, aye; Porter, aye; Cameron, aye. Motion carried.

Commissioner Porter responded to some of Commissioner Cameron's earlier comments.

He votes on how people elected him to this office, expect him to vote.

Commissioner Cameron said she does as well.

Commissioner Porter said just because we don't all agree on a vote...

Commissioner Cameron doesn't have a problem with that, its that he always tends to criticize and belittle her and she doesn't think she treats him that way at all. It's very frustrating. If that's not what we're going to do, give a person a raise or whatever, then we have to have another option, somebody has to solve it in another manner...we have to have a solution. Commissioner Porter's only comment to that is, he doesn't know if you guys (Crooks and Cameron) realize the burden you are putting on future Commissioners with all these, call them whatever you want, wages, increases, market adjustments. Sooner or later, watch the news...Commissioner Cameron said she watches it every night. Commissioner Porter continued by saying that Walmart just cut a bunch of executives because of the economy and the way it is. You can't take it back. Commissioner Cameron said she realizes that and twice you (Porter) came in and did adjustments to the Sewer Department and said they deserve it because they wallow in shit every day. And she believes he also did that with Housekeeping once. She does believe they deserve a raise, she would like to give 900 people a raise, realizing we can't do it.

Minutes for August 04 , 2022

Commissioner Porter said his opinion of the housekeepers is that they are just as important as the judges and everybody else in the County. Commissioner Cameron totally agrees and we all voted... Commissioner Porter said minimum wage is what they were getting. Commissioner Cameron totally agrees and didn't say she disagreed. He came in twice and presented for the Sewer Department and Housekeeping and she totally agreed...she doesn't base on who's more important. Everyone should be paid for being here and what they do.

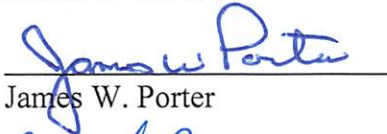

Commissioner Porter left session.

Commissioner Cameron mentioned that Mark Zanghi, Assistant Prosecutor, asked that the Commissioners appoint the local Opioid Committee. Commissioner Cameron said she has an ongoing list of people that have shown interest in being on the committee.

With no further business being before the Board, the meeting was adjourned at approximately 3:40 p.m. on the motion of Commissioner Cameron and the second of Commissioner Crooks.
